1. What evidence is shown that the time machine works?
2. What is one common thing from today's world that would have seemed amazing 25 years ago?
3. If you could travel back in time, what would you change?

Answers are Better When You Can Tell us WHY

Challenges and Extension Ideas:

- Make a 3D Model of a time machine with moving parts.
- Draw a window, and inside the window, draw a scene you would see from the future.
- Perform a scene in which you meet your future self.
